WARRANT REGULATING THE PROVISION OF CLOTHING, NECESSARIES, ACCOUTREMENTS, AND APPOINTMENTS, FOR CORPS OF CAVALRY.

Dated the 12th of March, 1834.

WILLIAM R.

WHEREAS We have judged it expedient to revise and alter Our Warrant, dated the 30th July, 1830, regulating the Provision of Clothing, Necessaries, Accoutrements, and Appointments for Our Corps of Cavalry; Our Will and Pleasure, therefore, is, that from and after the 31st day of December, 1833, when all the existing Assignments of Off-reckonings, or Allowance for these Services, will terminate, the Regulations annexed to this Our present Warrant shall be established and obeyed, as Our sole and standing Authority on the several subjects to which it relates.

It is likewise Our Pleasure that except in cases of urgent and unavoidable necessity, which necessity is to be immediately reported to Our Commander-in-Chief, for Our consideration, if any Colonel, or other Officer, shall direct, or knowingly permit, any variation whatever from the sealed patterns of the said Clothing and other articles above specified, without the authority of Our Commander-in-Chief, or any deviation from this Our Warrant, without Our special sanction communicated through Our Secretary at War, such Colonel or other Officer shall, for each offence, be amenable to a Court Martial, and shall receive such punishment as the Court may award.

And that no Officer may be ignorant of Our Intentions, it is Our further pleasure that a Copy of this Our Warrant be inserted in the Orderly Book of every Corps of Cavalry in Our Service.

Rates of Off-reckonings, or Allowance for Clothing, Accoutrements, and Appointments.

1. The following rates of Off-reckonings shall be allowed to Colonels of Dragoon Guards, and Dragoons, for providing the Clothing, Accoutrements and Appointments, of their respective Regiments.

	Per Annum. £	s.	d.
For each Serjeant of every class borne upon the Regimental Establishment*	6	12	0
For each Corporal and Trumpeter, ditto	6	0	0
For each Private, ditto	4	0	0

Assignments of Off-reckonings.

2. Every Colonel is required to make an assignment of the Off-reckonings either to his regimental agent or clothier, or else to empower his agent to make the assignment to the clothier, or to some other person, such assignment being intended as a security to the clothier, who has the first lien thereon, and to the other regimental tradesmen, for the due discharge of their respective bills for the supplies provided by them, to which the Off-reckonings are applicable. When the Colonel, or the agent on his behalf, shall have made the said assignment, the Colonel shall be exonerated from all further responsibility to his regimental tradesmen, it being incumbent upon them to take the necessary measures, in order to obtain from the agent, or from the holder of the assignment, a settlement of their just demands upon the Colonel.

3. Assignments may be passed for every Serjeant, Corporal, Trumpeter, and Private, borne upon the regimental establishment at the date of the commencement of such assignments.

4. Every assignment is to be biennial, and to commence from the 1st day of April inclusive, being the day on which the regimental clothing will henceforward become due, and on which it shall, if possible, be delivered to the men on all Stations. But in every case of the death of a Colonel, or of his removal to another corps, the succeeding Colonel shall pay to him, or to his representative, at the termination of the last assignment to which he is entitled, a due proportion, according to the period for which they remain to be worn, of the cost of such articles of clothing actually delivered to the regiment, as are hereinafter directed to be supplied for longer periods than the duration of the assignment.

The Officer actually commissioned as Colonel of a corps, on the 1st of May immediately preceding the date of the commencement of such assignment, or, in case of his death after that day, his representative: or, if the appointment be vacant on the said 1st of May, the Colonel succeeding to the command of the corps shall be entitled to make the biennial assignment from the 1st of April next ensuing.

But if a Colonel shall have provided the regimental clothing before the said 1st of May, in compliance with the rules laid down in the 11th article of these Regulations, or if he shall have any surplus clothing deposited in store, then and in that case the Colonel succeeding to such command shall take and apply, as part of the first clothing which he may have to furnish, any clothing so ordered, or deposited in store; and shall pay for the same the original cost thereof, together with the freight and other necessary expenses; provided always, that, at the date of such succession, or as soon after as a survey can be held, the said clothing shall be reported by the usual Regimental Board of Inspection not to have been worn, and to be in perfectly good condition. But if the number of suits of clothing so ordered or deposited by the preceding Colonel should exceed the numbers of men borne on the existing regimental establishment, the succeeding Colonel shall not be bound to take a greater portion thereof than the new establishment may require.

Digitized by Google

In case of any dispute as to the amount to be paid for any articles of clothing thus transferred, or as to the equitable proportion to be paid on account of articles which are to last for a longer period than one assignment, the question shall be referred to the Board of General Officers, who shall report their opinion thereupon to the Commander-in-Chief, or to the Secretary at War, for His Majesty's decision.

5. When a new corps is raised, or an augmentation of an existing corps is made, the Colonel, if authorized to assign Off-reckonings, shall receive the Off-reckonings for twenty-four months, for the numbers of Men borne on the establishment of the new corps, or added to an existing corps, in the following manner; namely, by assignment for such portion of the said Off-reckonings, as shall accrue from the date of placing the new corps or augmentation on the establishment of the Army, to the commencement of the next general clothing period, and by warrant for the residue of those Off-reckonings. But as Hussar regiments are provided with certain articles of clothing calculated to last four years, if the Colonel of any such regiment should have any claim on account thereof, in case of a new levy or of an augmentation, his claim shall be specially considered.

Articles of Clothing to be provided, and Claims of Soldiers on account thereof.

6. Every soldier belonging to a corps on the 1st of April of the year from which the periodical assignment shall commence, is on that day, if possible, to be furnished with complete clothing; consisting of the articles hereinafter specified, which shall be made up in strict conformity to the approved patterns thereof deposited at the Board of General Officers.

7. Recruits, (except those for new levies, or for augmentations of existing corps,) finally approved after the proper time for the delivery of the periodical clothing, shall be entitled to clothing as good as, or equivalent to, that in wear by the rest of the corps; and shall also be entitled to complete new clothing at the next general delivery thereof.

8. Recruits raised for a new levy, or for an augmentation of an existing corps, shall, on being finally approved, receive complete new clothing; and at the next general delivery of clothing to the corps shall further receive another complete suit, with the exception of such articles only as are required to last more than two years.

33.

It is the duty of the Colonel at all times to keep his Corps complete in its different accoutrements and appointments; but it is equally the duty of Officers in command of Corps, and of Captains and Commanding Officers of troops, themselves to pay, and to enforce on the part of others, the strictest attention to the care and preservation thereof; and to cause individuals immediately to replace such articles as they shall lose, and to repair such as shall be damaged by their neglect or misconduct. The accoutrements and appointments are therefore to be examined frequently, and reports of the state thereof are to be made to the Colonel; and in order to ensure a due preservation of these articles, the Commanding Officer of each Corps, together with the two Officers next in seniority, not under the rank of Captain, shall annually, between the 30th of November and the 31st December, or oftener, if necessary, make a strict examination of the accoutrements and appointments of the Corps, or any part thereof, and cause an accurate statement of the condition of the several articles to be drawn out, under the heads of "serviceable," "unserviceable," and "wanting," including as unserviceable every article likely to become such before the end of the military year, in order that the requisite supply may be forwarded to the Head Quarters, previously to the inspection of the Corps by the Reviewing General in the ensuing spring; and that Officer, after his inspection, is to specify in his confidential report to the General commanding-in-chief, whether the said supply had been duly furnished, and whether, at the date of such inspection, the Corps was completely provided with accoutrements and appointments. In case of changes of Colonels of Regiments, the accoutrements and appointments are to be transferred to the new Colonel complete, and in a fit state for service, on the termination of his predecessor's assignment; and with this view, immediately before such termination, a special examination of the regimental accoutrements and appointments shall be made by the Commanding Officer, and the two Officers next in seniority present, not being subalterns, when all articles reported by them as "unserviceable" and "wanting" shall be replaced at the expense of the Colonel who made the assignment, or of his representative.

Given at Our Court at St. James's, this 12th day of March, 1834, in the Fourth Year of Our Reign.

By His Majesty's Command.

WARRANT REGULATING THE PROVISION OF CLOTHING, NECESSARIES, GREAT COATS, ACCOUTREMENTS, AND APPOINTMENTS FOR CORPS OF INFANTRY.

Dated the 12th of March, 1834.

WILLIAM R.

WHEREAS We have judged it expedient to revise and alter Our Warrant, dated 22d July, 1830, regulating the Provision of Clothing, Necessaries, Accoutrements, and Appointments for Our Corps of Infantry: Our Will and Pleasure therefore is, that from and after the 31st day of December, 1833, this Our present Warrant shall be established and obeyed as Our sole standing authority on the several subjects to which it relates.

It is likewise Our Pleasure, that, except in cases of urgent and unavoidable necessity, which necessity is to be immediately reported to Our Commander-in-Chief for Our consideration, if any Colonel or other Officer shall direct or knowingly permit any variation whatever from the sealed Patterns of the said Clothing and other articles above specified, without the authority of Our Commander-in-Chief, or any deviation from this Our Warrant, without Our special sanction communicated through Our Secretary at War, such Colonel or other Officer shall for each offence be amenable to a Court Martial, and receive such punishment as the Court may award. And that no Officer may be ignorant of Our intentions, it is Our further Pleasure that a Copy of this Our Warrant be inserted in the Orderly Book of every Corps of Infantry in Our Service.

Rates of Off-reckonings, or Allowance for Clothing, Accoutrements, and Appointments.

1. The following Rates of Off-reckonings shall be allowed to Colonels of the Foot Guards, and Infantry of the Line, for providing the Clothing, Accoutrements, and Appointments of their respective Regiments.

Assignments of Off-reckonings.

2. Every Colonel is required to make an Assignment of the Off-reckonings, either to his Regimental Agent or Clothier, or else to empower his Agent to make the Assignment to the Clothier, or to some other Person, such Assignment being intended as a security to the Clothier, who has the first Lien thereon, and to the other Regimental Tradesmen, for the due discharge of their respective Bills for the Supplies provided by them, to which the Off-reckonings are applicable. When the Colonel, or the Agent on his behalf, shall have made his Assignment, the Colonel shall be exonerated from all responsibility to his Regimental Tradesmen, it being incumbent on them to take the necessary measures in order to obtain from the Agent, or from the holder of the Assignment, a settlement of their just demands upon the Colonel.

3. Assignments may be passed for every Serjeant, Corporal, Drummer and Private borne upon the Establishment of each Regiment or Battalion of the Foot Guards and of the Line, at the date of the commencement of such Assignments.

4. The Assignment is in future to commence from the 1st of April inclusive, being the first day of the new Military year, and being therefore the day on which the Clothing shall be, if possible, on all Stations delivered to the men of every Corps; and the Officer who on the preceding 1st of May was actually commissioned as Colonel, or, if he be dead, his representative, shall be entitled to make the said Assignment. If, however, the Colonelcy shall have been then vacant, the Officer succeeding to that appointment shall be entitled to make the Assignment: in either case the Colonel succeeding shall be required to take such Regimental Clothing as his predecessor may have provided before the 1st of May, in compliance with the instructions given in the 11th Article of these Regulations, or any Surplus Clothing deposited in Store, paying for the same the original cost thereof, together with the freight and other necessary expenses; but on condition that at the date of succession, or as soon after as a survey can be held, the said Clothing shall be reported by the usual Regimental Board of Inspection not to have been worn, and to be in perfectly good condition. Should the number of Suits of Clothing, so provided by the preceding Colonel, exceed the number of Men borne on the existing Regimental Establishment, the succeeding Colonel shall not be bound to take a greater portion thereof than the new Establishment may require. If any dispute should arise as to the Sum to be paid for such Clothing, the question is to be referred to the Board of General Officers, who shall report their opinion thereupon to the Commander-in-Chief, or to the Secretary at War, for His Majesty's decision.

5. When a new Corps is raised, or an existing Corps is augmented, the Colonel shall receive Off-reckonings for Twenty Months instead of Twelve Months, for the numbers of Men borne on the Establishment of the new Corps or Augmentation, in the following manner; namely—such portion of the said Off-reckonings as shall accrue from the date of placing the new Corps or Augmentation on the Establishment of the Army, to the 31st of March following, by Assignment in the usual manner; and the residue by a separate Warrant. These issues are made for the purpose of enabling the Colonel to provide the Men with their First Clothing, and with complete sets of Accoutrements, which latter Articles, together with the subsequent

annual supplies of Clothing, shall be kept up in a perfectly serviceable state, at the expense of the Colonel out of the annual Off-reckonings. If the Establishment of a Corps shall be reduced, and shall be augmented again within the following three years, the Colonel of the Corps at the time of such Augmentation shall receive only an Allowance of Twelve Months' Off-reckonings for so much of the Augmentation as may be equal to the previous reduction.

Articles of Clothing to be provided; and Claims of Soldiers on Account thereof.

6. Every Serjeant, Corporal, Drummer and Private, belonging to a Corps on the 1st of April, shall on that day, if possible, be furnished with complete Clothing, consisting of the articles hereinafter specified.

7. Recruits (except those for new Levies, or for Augmentations of existing Corps), finally approved after the proper time for the delivery of the annual Clothing, shall be entitled to an equivalent, agreeably to the following rules, viz.—the Recruit, if finally approved within Three Months of the past periodical delivery, to receive new Clothing complete; if after Three, but within Six Months, a Cap, Coat and Trowsers, new, the Man providing his own Boots; if after Six, but within Nine Months, a Cap and Coat, new, the Man providing his Boots and Trowsers; if after Nine Months, new Clothing complete, which however is to last until the expiration of the ensuing year, the Recruit in this last case receiving, for the residue of the current year, a compensation at the rate of 2*s.* 9*d.* a month from the first of the month next after his final approval. Recruits for Highland Corps (except for Augmentations or new Levies), finally approved within Three Months after the annual period of delivery, to receive the complete Clothing and Allowance for Highland articles; if after Three, but within Six Months, a Coat, a Waistcoat with Sleeves, and the Allowance for Highland articles; if after Six, but within Nine Months, a Coat, and the Allowance for Highland articles; if after Nine Months, a compensation for the remainder of the current year at the rate of 2*s.* 9*d.* per month from the first of the month next after the Recruit's final approval, together with the complete Clothing and Allowance for Highland articles on account of the ensuing year.

8. Every Recruit raised for a new Levy, or for an Augmentation of an existing Corps, shall, on being finally approved, receive complete new Clothing, and at the next general delivery of Clothing to the Corps shall further receive another complete Suit, with the exception of a Cap, his first Cap being to be worn until the following delivery of Clothing to the Corps.

9. Lists of the articles of Clothing with which the Soldiers of each Corps are to be provided, in strict conformity to Patterns deposited at the Office of Military Boards, and at the expense of the Colonels when entitled to Off-reckonings, and of the Public when not so entitled.

MEMORANDUM.

WAR-OFFICE, 25th June, 1834.

THE sum of Four Pounds, Seven Shillings and Sixpence has been anonymously remitted to the Secretary at War, and has been by him paid into the Bank of England, to the Account of the Paymaster-General of His Majesty's Forces, for the service of the Public.

CIRCULAR. No. 773.

WAR OFFICE, 12th August, 1834.

SIR,

THE Secretary of State for the Colonial Department having notified to me, that it has been found by experience that the practice of making gratuitous grants of land is injurious to the Colonies, and not beneficial to the individuals receiving them, when they are of that rank of life to which discharged Soldiers belong, and that consequently the practice will be discontinued; I think it right to communicate this circumstance to you, in order that it may be notified to the Troops serving under your Command in such a manner as will prevent any misunderstanding on the subject, should they have been led, by the allusions to cases of men settling in the Colonies made in the Pension Regulations, to entertain the mistaken notion that they were entitled, on discharge, to free grants of land.

I have the honor to be,

Sir,

Your obedient humble Servant,

EDWARD ELLICE.

Officer commanding His Majesty's Forces.

The said Officer shall follow such further instructions as he shall from time to time receive from the Commander-in-Chief, the Secretary at War, or the Board of General Officers.

13. Patterns sealed by the Board of General Officers shall be sent with the Clothing to the Head-Quarters of each Corps, and when received, the Commanding Officer present, with the two Officers next in seniority, not being under the rank of Captain, shall immediately inspect and compare the Clothing, and cause to be drawn out an accurate Return of the quantity, quality and condition, and of the conformity or nonconformity thereof to the sealed Patterns; which Return is to be entered in the Regimental Books for the inspection of the Officer or Officers who may from time to time inspect or review the Corps. A duplicate of this Return is to be transmitted by the Commanding Officer, through the Adjutant-General, to the Board of General Officers. The said Clothing is also to be compared with the sealed Patterns at the earliest opportunity, by the General or other Officers commanding on Stations Abroad, or in Districts at Home, or by the Officers who shall be appointed to Inspect the Corps; and two Certificates, according to the annexed form, vouching the conformity of the Clothing to the sealed Patterns, and the date of its delivery to the Soldiers, shall be transmitted by such General or other Inspecting Officer, one Certificate through the Adjutant-General to the Board of General Officers, and the other direct to the Secretary at War.

Dated at _____, this _____ day of _____.

14. The Clothing shall be sent to the Regiment ready made up, and not in Materials, unless by the special permission of the Commander-in-Chief; and the Officer appointed to inspect Army Clothing shall not pass any articles which are not sufficiently and completely sewn for immediate and permanent wear. Clothing in Materials, when authorized to be so supplied, shall not be sent to a Regiment without the previous inspection and approval of the said Officer.

But in order to prevent as much as possible the necessity of altering the Clothing, when sent to a Corps ready made up, the Coats shall be furnished in various sizes, adapted to Men of different stature, and at the same time, the under-mentioned Clothing in Materials shall be sent for the purpose of

being made up at the Head-Quarters, and fitted there to any Men of extraordinary dimensions, viz.

For an entire Regiment serving together, Six Suits for Serjeants.....
For the Service Companies only, Four ditto.....
For the Reserve Companies only, Two ditto .....
} And Five Suits per Company for Rank and File.

As, however, some alterations will be necessary for fitting and completing the Clothing, the expense thereof shall be defrayed by a contribution of 6*d.* per suit from the Colonel, and a stoppage of 6*d.* from the pay of every Non-commissioned Officer, Drummer and Private.

15. Soldiers who may die, be discharged, or be taken Prisoners of War, or are confined under the sentence of a Civil or Military Court, before the completion of the period for which the Clothing is expected to last, reckoning from the usual day of delivery, shall have no claim whatever on account thereof, beyond the day when they ceased to be effective. If a Serjeant be reduced to the Ranks, his Clothing shall be taken for the use of his successor, and he shall receive Private's Clothing as good as that in wear by other Privates, or articles equivalent to it.

16. When Clothing is permitted to be taken away by Men transferred from one Corps to another, the Colonel of the Corps to which the Men are transferred, shall pay to the Colonel of the other Corps an allowance in money for such Clothing, according to the Scale of Compensation established by Article 18 of this Regulation; the same to be reckoned at a monthly rate, but not for any broken period of a month, from the last day of the month on which the transfer takes place to the 31st March next ensuing. If, however, a Soldier, be transferred within the year in which he shall have been furnished with a Cap calculated to last two years, a further Sum shall be paid, equal to Twelve Months' Compensation for the Cap.

17. Colonels of Corps being, as before stated in Article 11, personally responsible that the Clothing be duly and punctually forwarded and delivered to their Corps at the prescribed period, few cases ought to arise in which it can be a question whether the Colonel may be permitted to make a compensation in Money, instead of delivering the Articles in kind. If, however, from any extraordinary circumstance, such a case should occur, the grounds upon which the substitution of Money for Clothing in kind is proposed, shall be stated fully and in due time to the Commander-in-Chief, for His Majesty's approval.

18. If the payment of Compensation in Money is approved, the following Sums shall be paid to the Men, or expended in necessaries for their benefit, being the estimated cost of the several articles of Clothing to the Colonel, after a reasonable deduction for incidental charges; viz.

GENERAL ORDER.

HORSE GUARDS, 25th August, 1834.

THE General Commanding in Chief directs, that the annexed Memorandum, which has been issued from the Colonial Department, containing "*Information for the Use of Military and Naval Officers proposing to settle in the British Colonies,*" be promulgated to the Army in General Orders.

By Order of the General Commanding in Chief.

JOHN MACDONALD,
Adjutant General.

Information for the Use of Military and Naval Officers proposing to settle in the British Colonies.

COLONIAL OFFICE, *15th August,* 1834.

1. Annexed is a Statement of the Regulations according to which, with such modifications as local circumstances may render necessary, Lands belonging to the Crown are disposed of in the several British Colonies in North America, as well as a Statement of the Regulations in force in the Australian Colonies.

2. Under these Regulations Military and Naval Officers cannot receive free grants of land; but, in buying land, they are allowed a remission of the purchase money, according to the undermentionod scale:—

Field Officers of 25 years' service and upwards, in the whole £300.
Field Officers of 20 years' service and upwards, in the whole £250.
Field Officers of 15 or less years' service, in the whole £200.
Captains of 20 years' service and upwards, in the whole £200.
Captains of 15 years' service or less, in the whole £150.
Subalterns of 20 years' service and upwards, in the whole £150.
Subalterns of 7 years' service or less, in the whole £100.

Regimental Staff Officers and Medical Officers of the Army and Navy will be deemed to come within the benefit of this rule.

3. Officers of the Army or Navy, who propose to proceed to the Colonies in order to take advantage of this indulgence, should provide themselves with certificates from the office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, shewing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

4. Officers on half-pay residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate, and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments connected with the Army, cannot be allowed any privileges on the subject of land. Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments connected with the Navy, must also be considered as not qualified for those privileges. Although members of these classes may have been admitted formerly, and under a different state of circumstances, they must now be excluded.

6. Gentlemen who have ceased to belong to His Majesty's Service cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the Service for the express purpose of settling in the Colonies: it is only required, that when they resign their commissions, they should apply for a certificate from the General Commanding in Chief, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, *but not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in His Majesty's Service.

Officers who have sold out within the last twelve months preceding the date of this Memorandum will be allowed the usual privileges, notwithstanding their want of the certificate required by these Regulations, if they present themselves to the Governor of the Colony within a year from the present date. And all Officers who have already been recommended by the General Commanding in Chief will be entitled to their privileges, without regard to any obstruction which might otherwise be offered by the Regulations now established.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony, unless it be their intention to fix their residence in that Colony. In order to insure the observance of this rule, it has been determined that the titles to lands obtained by Officers who take advantage of the peculiar Regulations existing in their favour, shall be withholden for a period sufficient to prove that they have not repaired to the Colony for the mere purpose of gaining possession of a portion of land, and then departing. Two years is the period for which it has been decided that the titles shall be kept back: this delay will be sufficient for the salutary object in view, and will not constitute any serious inconvenience to the *bonâ fide* settler.

8. By the annexed Regulations for the disposal of Crown Lands, it will be observed that the general sales will take place periodically. But in order to prevent inconvenience to Officers who may arrive in the intervals between those sales, and be desirous at once to obtain an allotment, the Governors of the Colonies are authorized to allow Officers to acquire, at any time, on payment of the upset price, lands which have previously been offered for sale at some general sale, and not been bought.

Officers will thus be relieved from delay at the time of establishing themselves in the Colony. They will also be enabled by this arrangement, which will permit them to obtain their land at a fixed price, to choose such a quantity as shall be exactly equivalent to the amount of the remission to which they are entitled, instead of being liable to be called upon to pay a balance, which must be the case if they bid for lands at a sale by auction.

9. There being little or no Crown Land available in Prince Edward's

Digitized by Google

Island, Officers cannot be offered any privileges in the acquisition of land in that colony. In Cape Breton, an island in which the natural inducements for the settlement of Officers are not very considerable, it is necessary, from local circumstances, that there should not be a remission of purchase money as in other colonies. To such Officers as may wish to settle in this island, allotments of land will be granted on the same scale and conditions as before the general introduction of the system of selling the Crown Lands, viz.—

To a Lieutenant-Colonel	1200 Acres.
—— Major	1000
—— Captain	800
—— Subaltern	500

The same rule will be observed in Nova Scotia.

Regulations for the Disposal of Lands belonging to the Crown in the British North American Provinces.

The lands are no longer to be given away by free grants, but are to be sold.

The Commissioners of the Crown Lands will, at least once in every year, submit to the Governor a Report of the land which it may be expedient to offer for sale within the then ensuing year, and the upset price per acre at which he would recommend it to be offered; the land so offered having been previously surveyed and valued in one or more contiguous tracts of those which are most adapted for settlement, according to the local peculiarities of the province, and in proportion to the number of deputy-surveyors who can be employed.

The lands to be laid out in lots of 100 acres each, and plans of such parts as are surveyed to be prepared for public inspection, which plans may be inspected in the office of the Surveyor-General, or in that of his deputies in each district, on payment of the fee of 2*s.* 6*d.*

The Commissioner of Crown Lands will proceed to the sale in the following manner:—He will give public notice in the Gazette, and in such other newspapers as may be circulated in the Province, as well as in any other manner that circumstances will admit of, of the time and place appointed for the sale of the lands in each district, and of the upset price at which the lands are proposed to be offered; he will give notice that the lots will be sold to the highest bidder; and if no offer should be made at the upset price, that the lands will be reserved for future sale in a similar manner by auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third, and fourth instalment at intervals of half a year.

If the instalments are not regularly paid, the deposit-money will be forfeited, and the land again referred to sale.

Public notice will be given in each district, in every year, stating the names of the persons in each district who may be in arrears for the instal-

ments of their purchases, and announcing that if the arrears are not paid up before the commencement of the sales in that district for the following years, the lands in respect of which the instalments may be due will be the first lot to be exposed to auction at the ensuing sales; and if any surplus of the produce of the sale of each lot should remain, after satisfying the Crown of the sum due, the same will be paid to the original purchasers of the land who made default in payment.

The patent for the land will not be issued, nor any transfer of the property allowed, until the whole of the instalments are paid. The lands sold under this regulation are not to be chargeable with quit rents, or any farther payment beyond the purchase-money and the expense of the patent.

Persons desirous of buying land, in situations not included in the tracts already surveyed, must previously pay for the expense of survey, and the price must of course depend upon the quality of the land and its local situation.

The Crown will reserve to itself the right of making and constructing such roads and bridges as may be necessary for public purposee in all lands purchased as above; and also to such indigenous timber, stone, and other materials, the produce of the land, as may be required for making and keeping the said road and bridges in repair, and for any other public works. The Crown further reserves to itself all mines of precious metals.

The regulations for granting licenses to cut timber will be learned by application to the Surveyor-General's Office in the respective Colonies.

COLONIAL OFFICE, *7th March*, 1831.

Terms upon mhich the Crown Lands will be disposed of in New South Wales and Van Dieman's Land.

It has been determined by His Majesty's Government that no land shall in future be disposed of in New South Wales or Van Dieman's Land, otherwise than by public sale, and it has therefore been deemed expedient to prepare, for the information of settlers, the following summary of the rules which it has been thought fit to lay down for regulating the sales of land in those Colonies.

1. A division of the whole territory into counties, hundreds. and parishes is in progress. When that division shall be completed, each parish will comprise an area of about twenty-five square miles.

2. All the lands in the Colony, not hitherto granted, and not appropriated for public purposes, will be put up to sale. The price will of course depend upon the quality of the land and its local situation, but no land will be sold below the rate of 5*s*. per acre.

3. All persons proposing to purchase lands not advertised for sale, must transmit a written application to the Governor, in a certain prescribed form, which will be delivered at the Surveyor-General's Office to all persons applying, on payment of the requisite fee of 2*s*. 6*d*.

4. Those persons who are desirous of purchasing will be allowed to select, within certain defined limits, such portions of land as they may wish to acquire in that manner. These portions of land will be advertised for sale for three calendar months, and will then be sold to the highest bidder,

provided that such bidding shall at least amount to the price fixed by Article 2.

5. A deposit of £10 per cent. upon the whole value of the purchase must be paid down at the time of sale, and the remainder must be paid within one calendar month from the day of sale, previous to which the purchaser will not be put in possession of the land; and in case of payment not being made within the prescribed period, the sale will be considered void and the deposit forfeited.

6. On payment of the money, a grant will be made in fee-simple to the purchaser, at the nominal quit-rent of a pepper corn. Previous to the delivery of such grant, a fee of forty shillings will be payable to the Colonial Secretary for preparing the grant, and another fee of five shillings to the Registrar of the Supreme Court for enrolling it.

7, The land will generally be put up to sale in lots of one square mile, or 640 acres; but smaller lots than 640 acres may, under particular circumstances, be purchased, on making application to the Governor, in writing, with full explanations of the reasons for which the parties wish to purchase a smaller quantity.

8. The Crown reserves to itself the right of making and constructing such roads and bridges as may be necessary for public purposes in all lands purchased as above, and also to such indigenous timber, stone, and other materials, the produce of the land, as may be required for making and keeping the said roads and bridges in repair, and for any other public works. Tho Crown further reserves to itself all mines of precious metals.

COLONIAL OFFICE, 20*th Jan.* 1831.

Terms upon which the Crown Lands will be disposed of in the New Settlement in Western Australia.

It has been determined by his Majesty's Government, that land shall in future be disposed of in Western Australia upon the same principles as in New South Wales and Van Dieman's Land; but the encouragement hitherto given to persons who might incur the expense of taking out labouring persons to the Colony, will not be entirely withdrawn at present.

The following is a summary of the Rules which it has been thought fit to substitute for those dated the 20th of July, 1830:—

1. A division of the whole territory into counties, hundreds, and parishes is in progress. When that division shall be completed, each parish will comprise an area of about twenty-five square miles.

2. All the lands in the Colony not hitherto granted, and not appropriated for public purposes, will be put up to sale. The price will, of course, depend upon the quality of the land and its local situation, but no land will be sold below the rate of five shillings per acre.

3. All persons proposing to purchase lands not advertised for sale, must transmit a written application to the Governor, in a certain prescribed form, which will be delivered at the Surveyor-General's Office to all persons applying, on payment of the requisite fee of 2s. 6*d.*

4. Those persons who are desirous of purchasing will be allowed to select, within certain defined limits, such portions of land as they may wish to

Digitized by Google

acquire in that manner. These portions of land will be advertised for sale for three calendar months, and will then be sold to the highest bidder, provided that such bidding shall at least amount to the price fixed by Art. 2.

5. A deposit of £10 per cent. upon the whole value of the purchase must be paid down at the time of sale, and the remainder must be paid within one calendar month from the day of sale, previous to which the purchaser will not be put in possession of the land; and in case of payment not being made within the prescribed period, the sale will be considered void, and the deposit forfeited.

6. On payment of the money, a grant will be made, in fee-simple, to the purchaser, at the nominal quit-rent of a peppercorn. Previous to the delivery of such grant, a fee of forty shillings will be payable to the Colonial Secretary for preparing the grant, and another fee of five shillings for enrolling it.

7. The land will generally be put up to sale in lots of one square mile, or 640 acres, but smaller lots than 640 acres may, under particular circumstances, be purchased, on making application to the Governor, in writing, with full explanations of the reasons for which the parties wish to purchase a smaller quantity.

8. The Crown reserves to itself the right of making and constructing such roads and bridges as may be necessary for public purposes in all lands purchased as above, and also to such indigenous timber, stone, and other materials, the produce of the land, as may be required for making and keeping the said roads and bridges in repair, and for any other public works. The Crown further reserves to itself all mines of precious metals.

9. Those Settlers who may incur the expense of taking out labouring persons to the settlement, will be entitled to an abatement of the price at which the land may have been purchased, at the rate of £20 for the passage of every married labourer and his family.

10. Persons claiming such an abatement from the price paid for land, will be held responsible for any expense the Colonial Authorities may be compelled to incur for the maintenance (during the first year after their arrival) of the labourers in respect of whom it has been allowed.
